

Lacemakers Retreat Day - Cheshire

Date -28/07/2018

On this Quiet Day we shall explore how our craft can lead us into a place of quiet prayer or contemplation. Please bring your lace, crochet, tatting, knitting.... something you are reasonably confident with as there will be much silence during the day!

Creating Space for Stillness and Quiet

In our lacemaking we see how with thread and the spaces in between we can make a beautiful fabric.

Leader: Revd Jayne Shepherd

Cost: £35 includes morning coffee, lunch (a hot meal served in the dining room) and afternoon tea.
